

# ARNAV PUNDIR

---

D.O.B: 22<sup>nd</sup> January, 2006

Father's Name: Mr. Vipin Pundir

Phone: +91 7060675133

Email: cu240251013@coeruniversity.ac.in

LinkedIn: [Arnav Pundir](#)

Address: Shakhumbri Vihar (opp. Nambardar Farmhouse), Ganeshpur, Roorkee – 247667

---

## Objective

Motivated and enthusiastic 1st-year B.Tech student in Computer Science Engineering with a strong foundation in Java and C++ programming languages. Looking for opportunities to apply my technical skills and grow professionally in software development, contributing to real-world projects and gaining valuable hands-on experience.

---

## Education

**Bachelor of Technology (B.Tech)** – Computer Science Engineering

*College of Engineering Roorkee (COER University Roorkee)*

Expected Graduation: 2028

---

## Technical Skills

- **Programming Languages:** Java, C++, Java Script
  - **Other languages :** HTML, CSS
  - **Tools & Technologies:** IntelliJ IDEA, Visual Studio Code
  - **Operating Systems:** Windows, Linux
  - **Concepts:** Object-Oriented Programming (OOP), Basic Data Structures, Algorithms
  - **Having a good knowledge of basic using Artificial Intelligence (A.I.)**
- 

## Work Experience

- **Fresher** (*Looking for opportunities to apply my technical skills and grow professionally in software development.*)
- 

## Academic Projects / Coursework

- **Basic Java Program (Simple Tic-Tak-Toe)**  
*Developed a simple tik-tak-toe game using Java.*

- Gained hands-on experience with basic Java syntax, arithmetic operations, and user input handling.
    - Learned about functions, conditionals, and loops in Java.
  - **Introduction to C++ (Temperature Converter)**  
*Built a simple temperature conversion application using C++.*
    - Learned about functions, variables, and data types.
    - Developed an understanding of input/output operations in C++.
  - **Data Structures and Algorithms (Ongoing)**  
*Currently learning core data structures (arrays, linked lists, stacks, queues) and algorithms (sorting, searching) in C++.*
  - **Making a Simple To-do Web Application**  
*Built a simple To-do Web Application using HTML, CSS, JAVASCRIPT.*
    - Gained hands-on experience with Html, CSS, JavaScript by building a basic To-Do application that takes input of the work and due date and time.
    - Created with the help of Artificial Intelligence .
- 

## Coursework

- Basic Data Structures and Algorithms
  - Object-Oriented Programming (OOP) with C++
- 

## Extracurricular Activities

- **Coding Club Member:** Active participation in college coding club known as **DCoders Squad** in Competitive Programming .
- 

## Certifications

- **Java Programming** – [HackerRank](#) – 2024
  - **Java Programming Internship** – [CodSoft](#) – 2024
- 

## Personal Skills

- Strong analytical and problem-solving abilities.
  - Quick learner with the ability to adapt to new technologies.
  - Excellent communication and teamwork skills.
- 

## Languages

- **English** (Fluent) , **Hindi** , **Punjabi**
